Grave3yardgirl or Bunny Meyer is a popular YouTube beauty blogger with over 6 million subscribers whom she calls her “Swamp Family.” Meyer is known for her upbeat personality and exciting unboxing videos.

The Swamp Queen palette for eyes and cheeks features shimmery pinks and earthy browns for a fresh, summer look. The eyeshadows come in matte and luster form with names like “dogman” and “sassy bun.” The palette also features a blush, bronzer and highlighter to complete the look.

The Swamp Queen palette is \$45 on the [Tarte site](#) and will be released June 6. The palette can also be found at Ulta, Sephora, and Macy’s after the initial release date.
